

SPEAKER NICHOL: Thank you. Senator Warner, did you wish to take up the amendment to the bill, please.

CLERK: Senator, the first thing you had, you had filed a kill motion last year. I also have an amendment from you, however, that essentially says \$10 shall be transmitted to the state treasurer for deposit in the General Fund.

SPEAKER NICHOL: Senator Warner.

SENATOR WARNER: Mr. President, I guess...I'll withdraw the amendments for now unless there are some others, but in doing that, would make it clear this is a revenue reduction as it was introduced of \$160,000 which in all probability we can ill afford. But on this particular bill I guess I would withdraw the amendment now and refile it for Select File, Mr. Clerk, and the kill motion.

SPEAKER NICHOL: Both of them withdrawn, you wish to have both of them withdrawn? All right. Both of them are withdrawn. We are back to the bills. Now I don't have any lights on, so I assume nobody wishes to speak further on the bill, so we're closing with Senator Hoagland.

SENATOR HOAGLAND: Let me say only, Mr. Speaker, that if we cannot...

SPEAKER NICHOL: Excuse me. (Gavel.) We're way too noisy. Even I can't hear the speaker and that's too much, so, thank you, Senator Hoagland.

SENATOR HOAGLAND: Let me state only that if we cannot work the bill out to resolve the financial problem with the state to the satisfaction of the Appropriations Committee, we will not seek to advance it beyond Select File. With that understanding I'd move its advancement to Select File at this time.

SPEAKER NICHOL: You've heard the closing. All those in favor of advancing the bill vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance the bill.
